What's Happening at TLC MoW?

Have you ever wondered who prepares your meals or who is on the other end of the line, ready to hear your concerns and answer your questions, when you call? Although we are mainly a volunteer run organization, our small staff of 8 has their hands in all aspects of our operation. We appreciate the opportunity to serve you!

Meet our Staff

Left to right, standing: Leonard Robertson, Kitchen Supporter; Steve Ziegler, Lead Cook & Kitchen Manager; Amy Hermsen, Program Coordinator; Anne Gross, Community Engagement Specialist; Sarah Davis, Delivery Coordinator. Sitting: Dana Gaston, Director of Operations; Diane McClymonds, Executive Director; Debbie Peters, Cook.

Remember ...

With the hot weather upon us, food spoils quicker. Remember to place a cooler outside your door if you won't be home when we deliver, otherwise we will hang your meal on your doorknob. Please remember to retrieve it as soon as you get home.

Senior Community Resources

You May be Eligible to Receive Funding for Dental Services!

Senior Answers has extra funding for dental services. To qualify, you must:

- Be 60 years of age or over
- Not receiving Medicaid
- Have monthly income of less than \$2452
- Not have any dental insurance

Call 303.333.3482 or go to www.seniorsanswers.org for an application. ACT NOW, as limited funding ends June 30th!

You Could Qualify for a Free Cell Phone!

Do you need a cell phone? You are eligible to receive a free cell phone if you are currently enrolled in:

- Medicaid
- SNAP (food stamps)
- Federal Public Housing (section 8)
- Temporary Assistance to Needy

OR if your yearly income is *less than*

- \$15,512 for a household of 1 or
- \$20, 939 for a household of two

If you meet any of the criteria above, you are eligible to receive a free phone with 250 minutes and 250 texts (to stay in touch with your grandchildren!) free each month from Assurance Wireless, a Federal Lifeline Assistance program. One per household, please.

Interested? Please contact us for an application.

Thought for the Day

*Our days are happier
when we give people
a bit of our heart
rather than a piece of
our mind.*

Did You Know?

Do you have trouble hearing the doorbell or phone ring? Are you unaware when your smoke or carbon monoxide detector goes off, or there is a sudden noise? For those who are deaf and hard of hearing, there are several home signaling devices that use a strobe light, rather than a noise, to garner your attention. These home systems can be customized to your needs and preferences.

For more information, please contact JoAnne Hirsch at the Colorado Commission for the Deaf and Hard of Hearing at (303) 866-2097.

Annual Client Survey

You will soon be receiving our annual client survey. Please take the time to fill it out and let us know how we're doing. Your feedback is vital in ongoing meal planning as well as helping us receive funding. Thank you!
